THE WORLD'S MIGHTIEST  
YEARBOOK EVER SEEN,  
PRESENTED THE  
FABULOUS  
FAIRHAVEN WAY!

# HEROES

We loved the comic book themed cover of our yearbook because it cast our Blue Devil mascot as our school's *superhero*.

In thinking about our *Blue Devil Superhero*, we were inspired to ask the question, *What does it mean to be a hero?*

*In this yearbook, we thank and celebrate the real heroes of Fairhaven High School.*

*The faculty, staff, and administration of Fairhaven High School believe that we must motivate, inspire, and empower our students to fulfill their potential to become independent, curious, creative, life-long learners prepared to succeed in an increasingly diverse and global society. We regard the successful development of each individual as a responsibility shared by the student, the school, the family, and the Fairhaven community. We believe all students must be engaged in a rigorous academic program enriched by fine arts, technology, athletic, and co-curricular activities in a safe and secure environment that encourages, nurtures, and promotes the development of every student to become a respectful, tolerant, responsible, healthy, and civic-minded citizen.*

# YEARBOOK COMMITTEE

## FROM THE EDITOR:

It has been the greatest honor and a privilege to get to serve as the 2023 *Huttlestonian* Editor. With all of our epic highs and tragic lows of high school, it has been a wild ride here at Fairhaven High School.

With the 2023 *Huttlestonian* we, the yearbook committee, wanted to best display the Class of 2023's greatest year yet. With our shortened freshman year, hybrid sophomore year, and masked-up junior year, we knew chronicling the highlights of everyone's first "normal" year of high school would be of the utmost importance. Our theme of "Heroes" was born from all our positive experiences with leaders from Fairhaven.

Without the help of the heroes in the Fairhaven community, this year's *Huttlestonian* would have never been possible. Thank you to Dr. Boucher, our fabulous advisor, for always meticulously checking every detail. Thank you to the FHS PTO for your tireless work in helping us try to include every student. Thank you to the FHS Staff for all of your help the whole way through, from letting me edit the yearbook during lessons to allowing me to interrupt classes to photograph your students. Thank you to every senior for letting me bombard you with emails about deadlines. Especially thank you to every member of the yearbook committee for all of your hours spent dedicated to the *Huttlestonian* in 107M.

The 2023 *Huttlestonian* is a representation of everything we have worked for these past four years. I hope this year's addition inspires you to carry the Blue Devil pride and hero spirit in all of your next adventures.

With love,  
Ruthie E. Smith

# CLASS OF 2023 OFFICERS

## CLASS OFFICERS:

PRESIDENT: Adin Monroe

VICE PRESIDENT: Brooke Boucher

SECRETARY: Ella Tveit

TREASURER: Ruthie Smith

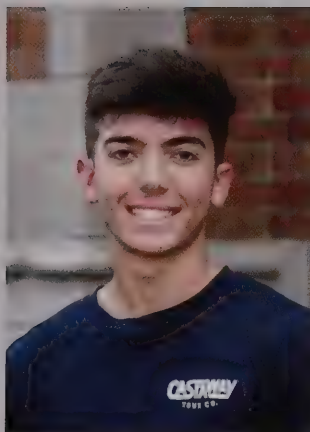

HISTORIAN: William Aviza

PUBLIC RELATIONS: Samuel Hubert

Dear Class of 2023,

Four years ago we walked into this Hogwarts of a building not knowing how crazy and different our time at FHS would be. From our freshman year being cut short to our hybrid sophomore year and to our mask wearing junior year, high school has been tough. Our class went through a time that no class should ever have to go through. To get to where we are today, we were expected to do the impossible and show up everyday while living through one of the world's worst pandemics. As your president I am very proud of how our class has overcome the challenges we faced and pushed through one of the world's worst times with perseverance and resilience. Even through all the hardships we faced, our senior year has proven that there is light at the end of the tunnel. I am glad that we have created many good memories this year and I hope that everyone will keep them in their hearts forever. As much as I hope everyone keeps the good memories, it is also good to keep the bad ones too. I want each and everyone of you to keep those bad memories to remind you to keep striving. Life as we know it is soon coming to an end, and the real world is catching up to us. I know the future is bright for all of you, but when it is dark, you must push through. When there are bad days, they must not blind you of the good days yet to come. Hold your head up high and conquer the world, I know everyone can do it. Finally, best of luck to the Class of 2023, and as seen all throughout Fairhaven High School, Ad Astra, to the stars.

Sincerely,  
Adin Monroe

## A MESSAGE FROM YOUR CLASS ADVISERS

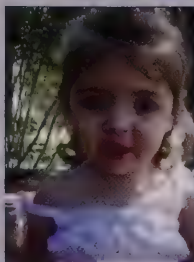

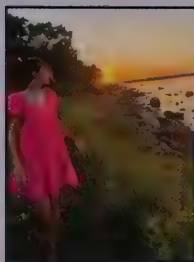

Dear Class of 2023,

Congratulations on reaching this incredible milestone of graduating from high school. While your years at FHS may not have been what you imagined, with a worldwide pandemic bringing your freshman year to a screeching halt and requiring you to adjust to new standards and expectations, here you are, seniors who have had to be strong and courageous in times of uncertainty in order to attain this goal. While we have only been your advisers for your final year at FHS, we have known you since your beginning, and we have had the pleasure of watching you grow, learn, challenge yourself, create, perform, win, lose, and overcome. You've had moments to celebrate and to be remembered. You have all achieved, no matter how big or small those accomplishments may seem. For that, you have all been heroes to this community. We hope you recognize the mark you leave behind as well as the one you stand to make moving forward.

With all of our hearts,  
Ms. Paris and Mrs. Smith

# JUNIOR DAY

June 3, 2022

Junior Day is a valued tradition. It is the last official day of school for seniors prior to their graduation.

It is a rite of passage for juniors who will be symbolically taking on the roles of leadership once held by seniors. The passing on of the responsibilities of being a "senior" is symbolized in a ceremony wherein the senior class president takes off the mantle of leadership and passes it on to the junior class president.

## Halls of Ivy

Oh we love the halls of ivy that surround us here today  
And we will not forget though we be far, far away  
To the hallow'd halls of ivy, every voice will bid  
farewell  
And shimmer off in twilight like the old vesper bell.  
One day a hush will fall, the footsteps of us all  
Will echo down the hall and disappear  
But as we sadly start our journeys far apart  
A part of every heart will linger here  
In the sacred halls of ivy where we live and learned to  
know  
That through the years we'll see you in the sweet  
afterglow.

Junior Day recognizes the many major accomplishments of the student body over the year. Students' successes, accomplishments, and contributions are celebrated through the presentation of awards, trophies, and certificates.

Fairhaven, MA 02719

School Song: Halls of Ivy  
School Colors: Blue and White

Student Population: 630

Fairhaven High School was gifted to the town of Fairhaven by Henry Huttleston Rogers and opened in 1906, replacing the original school. It is an Elizabethan-style building. From 1931 until 1998, our campus included an additional structure on Larch Avenue which was connected by a tunnel to what is now the library.

In 1999, an addition was added to the original building including classrooms, a new science wing, a gymnasium, an auditorium, and a cafeteria.

This school year, the press box at Alumni Stadium was dedicated to Mr. Gil Santos (Class of 1956) and the turf field was named after former Superintendent of Schools Dr. Robert Baldwin (Class of 1980).

Our school is affectionately referred to as *The Castle on the Hill*.

## WAR IN UKRAINE

More than seven months after Russia invaded Ukraine, just days after Russia annexed parts of eastern and southern Ukraine, a blast attributed to Ukraine destroyed sections of a bridge connecting Russia to Crimea. In retaliation, Moscow missiles assaulted civilians in the heart of Kyiv and almost a dozen other cities, as the war in Ukraine raged on.

The war created shock waves that impacted the U.S. economy with fuel and grain shortages, increasing inflation and decreasing economic growth. U.S. tensions with Russia mounted as the U.S. imposed sanctions on Russia and the Chinese-Russian alliance solidified.

Fans of Styles, known as Stylers, paid between \$110 and \$384 for tickets to see the former One Direction singer perform live.

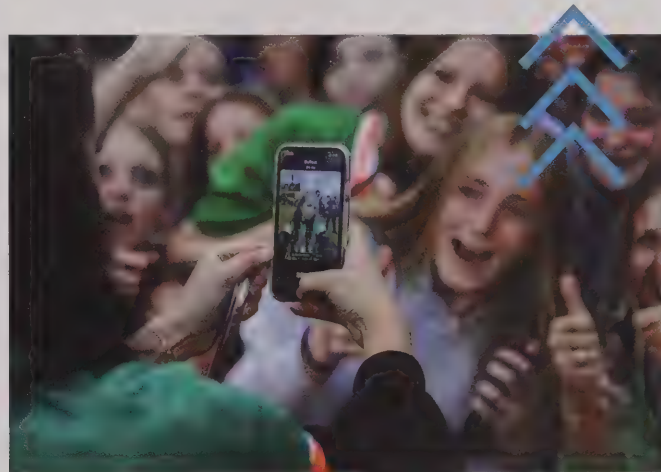

## 988 FOR LIFE

A blitz of posters, stickers and social media morphed 988 into a lifeline for more than 152,000 callers in August 2022, just a few weeks after the number was activated. The emergency mental health support line, which also offered support via texting, averaged 45-second response times, almost two minutes faster than the previous number, 1-800-273-8255.

## TIME TO BeREAL

The trendiest app of the year set out to counter social media norms of edited, perfect posts and social comparisons. BeReal challenged users to snap a real-time photo (using front and back-facing cameras) and post it unedited when prompted by a random daily push notification. Users had two minutes to post whatever they were doing in real time. If they missed the time, their post was marked "late" to keep the post honest.

## CRASH TEST

It was a real-life climactic scene straight out of an apocalyptic movie. On September 26, 2022, NASA purposely crashed a spacecraft into an asteroid to change its trajectory and test a defense against potential cosmic collisions with Earth. They planned to consult photos from the Hubble and Webb Telescopes to chart the trajectory over time.

# TECH & TRENDS

## CORNTASTIC

A 7-year-old New York City child went viral on TikTok and Instagram in late August 2022 when asked his thoughts about corn. "It's corn!" Tariq exclaimed. "I can't imagine a more beautiful thing!" His wholesome words blossomed into the anthem of the summer when they were autotuned into a catchy song on YouTube. The fall saw Tariq partnering with Green Giant to donate 90,000 cans of vegetables, as well as appearing in a Chipotle ad.

## HOPE IS NEVER MERE

Blockbuster prequel series *The Lord of the Rings: The Rings of Power* (Prime Video) had fans excited to see empowered and heroic female characters at the center of the story. *The Rings of Power* is set thousands of years before the events of J.R.R. Tolkien's trilogy with Frodo and Bilbo.

## CELEBRITY CAMEO

The Cameo app connected celebrities with its users to create personalized video messages for any occasion. Users browsed thousands of stars ranging in price from \$1 up to \$2,000 based on popular demand – with some donating funds to charitable causes. Featured celebrities included Olympic gymnast Gabby Douglas, actress Lindsay Lohan and boxer Floyd Mayweather.

## About Our Cover:

The 2023 Huttlestonian Yearbook cover was designed by Sam Hubert, Class of 2023, and member of the National Art Honor Society. The Blue Devil Superhero cover served as the inspiration for our theme of *heroes*.

Throughout his time at FHS, Sam also designed the artwork for school apparel, including a sweatshirt and t-shirt. Sam's talents will forever be an important part of FHS History.

Our yearbook was unveiled on Junior Day and presented to our school principal, Mr. Andrew Kulak.
